Non-Profit/Volunteer Screening Solutions

Non-profit, volunteer and religious organizations depend on the goodwill of volunteers to carry out their missions, which often involve interacting with people at vulnerable times in their lives. The **Defender Series™ Non-Profit/Volunteer Screening Solutions** help insure that individuals of questionable background or intent are detected and removed from the pool of potential hires, with three levels of search depth available. We recommend **Level 2** for positions where financial responsibility or exceptional trust is required and **Level 3** for international organizations.
